Retailers are required to HOLD affected new vehicles that are within your control and refrain from releasing the vehicles for new vehicle sale pending the outcome of an inspection. A vehicle that passes the inspection may be released for sale or onward distribution. A vehicle that does not pass the inspection must continue to be held until further instruction.

NOTE: if a vehicle fails the inspection, email jlrcamp@jaguarlandrover.com with the Vehicle Identification Number (VIN), Program Code 'H258, and state that the inspection failed. Do NOT submit a claim; continue to hold the vehicle and await further instruction.

RETAILER EMPOWERMENT

We appreciate the frustration experienced by both our customers and Retailers with regards the launch of any Update Prior to Sale program.

Following the launch of Retailer Empowerment (and where you feel it appropriate), you may offer goodwill to customers who have suffered delays in the delivery of their vehicle. Any goodwill offer should be specifically for a customer whose vehicle delivery has been delayed due to this specific activity to acknowledge the poor experience.

Should you have any questions, please contact the Customer Relationship Centre (CRC) in the first instance for help and support.
