# MPD UPDATE
## Electrical

### Web Browser Not Available

16MY – 20MY RR Velar, RR Evoque, Discovery, Discovery Sport, RR Sport, Range Rover, F-Type, F-Pace, I-Pace, XE, XF & XJ equipped with InControl Touch Pro

Problem Description:

- Web Browser functionality is not available.

Current Status:

- Ongoing investigation to release software to remedy this situation.

Recommended Actions:

- In the interim please create a TA case as local Engineering is able to WebEx a fix to the vehicle.
