RE: Closure Letter: JAG2501941, Hinton

Dear Mr. Hinton,

The Arbitration Certification Program (ACP) received your above-referenced complaint on May 9, 2025, by email and notified you of its initial action taken May 12, 2025. ACP completed its investigation in the above-referenced matter and has closed the complaint with a finding of no violation of the minimum standards for both the manufacturer and the arbitration program.

Please note that ACP cannot order a program to reopen or rehear a dispute, nor does it have the authority to change, modify, clarify, or overturn a decision by an arbitration program. While ACP does investigate individual complaints, its purpose is to enable ACP to obtain the information necessary to perform its role as a certifying and decertifying agency.

We appreciate you bringing this to our attention and invite you to submit any new or additional information regarding a complaint.

If you have any questions regarding this matter, please contact me at (916) 574-7350 or by email at ACPTeam@dca.ca.gov.

Sincerely,

ACP
