TEARDOWN/REASSEMBLY: If you authorize teardown of the vehicle or commencement of repairs, but do not authorize completion of a repair or service, a charge may be imposed for teardown, reassembly or partially completed work and you agree to pay the same.

It is necessary to disassemble the vehicle to provide an estimated price for repairs. The estimated teardown and reassembly charge (including parts and labor) is \$ \_\_\_\_\_ X

You understand that disassembly may prevent restoration of the vehicle to its former condition.

☐ SUBLET REPAIRS: Some repairs must be sublet due to the type of service required. The location will be disclosed upon request.

PAYMENT TERMS: I agree to pay for all labor and materials in cash or approved credit card (unless the Dealership agrees to other payment arrangements in advance) simultaneously with delivery of the vehicle to me or 3 days after receiving notice that the vehicle is ready to be picked up. An express mechanics lien is hereby acknowledged on the vehicle to secure the cost of labor, materials, storage and/or towing charges. I understand that a storage charge equal to \$125.00 will be assessed and shall accrue daily if I fail to pick up the vehicle within 5 days from the date I am notified that the repairs have been completed or after the communication of an estimate if I fail to authorize repairs.

POWER-OF-ATTORNEY: I hereby appoint the Dealership as my attorney-in-fact and authorize it to sign my name upon any checks, drafts or other forms of payment issued in payment of this Repair Order. X

By Signing Below: I agree that: (1) I have read this Repair Order and I authorize the completion of the services/repairs listed above in accordance with the terms and conditions herein; (2) the Dealership is not responsible for loss or damage to the vehicle or articles left in the vehicle in case of fire, theft, hail, wind or any other cause beyond its control; (3) the Dealership may operate the vehicle on streets, highways or public roadways for the purpose of testing and/or inspecting the vehicle; (4) I authorize the retrieval of on-board data as needed to facilitate vehicle repairs and the sharing of that data with the vehicle manufacturer for diagnostic or research purposes; and (5) I expressly consent to receive text messages, phone calls, and e-mails regarding the repairs/services I request at any telephone number and e-mail address I provide to the Dealership, even if the contact results in a charge to me.
